The Stars Come Out At Night ...

Let your inner star shine on October 28, 2016 at the Desmond Hotel - 1 Liberty Blvd in Malvern PA. Join us as we celebrate our students and honor those who contribute to making our community a better place in which to live.

We congratulate Dr. Judith Thomas as she joins the select group of Leon H. Sullivan Awardees, those who have tirelessly committed to a lifetime of community service. She served Chester County through her work with Lincoln University for approximately 40 years. And through those years, she was a mentor to many. After serving as Dean of the school of Social Science and Behavioral Studies, she retired as Special Assistant to the President of Lincoln University.

Selected to receive the 2016 "Difference of One" Award is Mary Anne Feeley, Director of Leadership Chester County, through United Way of Chester County. Chester County OIC has benefitted from her amazing work as we currently have five board members who have graduated this program.

Join us as we celebrate and acknowledge these community leaders. This brilliant evening is sure to be filled with delight as you enjoy a stunning silent auction, an elegant dinner, fine music, our extraordinary honorees and a huge celebration for all.

Reservations are just \$100.00 each (with \$40.00 as your tax deductible portion.) As always, sponsorship opportunities are available. Please call for more information -- 610-692-2344.

We look forward to another grand year.
